

GRÜNENTHAL PAIN AWARDS

➤ *ADVANCING KNOWLEDGE IN ANALGESIA*

Grünenthal is proud to be supporting an innovative awards programme that aims to recognise excellence in the field of pain management. This is the second year in a row that Grünenthal has supported this programme.

The Grünenthal pain awards are designed to allow individuals and/or units working in pain management to demonstrate how they make a highly significant improvement to patients' lives.

A panel of judges, consisting of multi-disciplinary experts in pain management, will decide the winners and grants will be awarded to the three entrants which they believe contribute most to the well-being of patients.

The winners will be announced at an awards ceremony of which the details will be confirmed in due course.

Closing date for registering initial interest is 17th February 2012. Closing date for full proposals is 14th March 2012.
